Congratulations! You have just purchased the best engineered, dyno-proven stainless steel exhaust system.

Please check the contents of this box immediately.

Report any defective or missing parts to the Authorized Injen Technology dealer you purchased this product from.

Before installing any parts of this system, please read the instructions thoroughly. If you have any questions regarding installation please contact the dealer you purchased this product from.

Installation DOES require some mechanical skills. A qualified mechanic is always recommended.

*Do not attempt to install the intake system while the engine is hot. The installation may require removal of radiator fluid line that may be hot.

Injen Technology offers a limited lifetime warranty to the original purchaser against defects in materials and workmanship. Warranty claims must be handled through the dealer from which the item was purchased.

Injen Technology 244 Pioneer Place Pomona, CA 91768 USA

Please check the contents of this box immediately.

Note: This system was Dyno-tested with Injen parts. The use of any other part will void the warranty.

Parts and accessories are available on line at "Injenonline.com"

Note: The installation of this SES exhaust does require mechanical skills. Removal of the stock parts does require loosening and removing several parts and screws that may be difficult.

Injen strongly recommends that this system be installed by a professional mechanic.
